IV INTERNATIONAL SEMINAR

EARTHWORKS IN EUROPE

[HTTP://CONGRESOSATCPIARC.ES/](http://congresosatcpiarc.es/)**Programme N°1****Madrid (Spain), 19 and 20 April 2018**

Organized by:

IV International Seminar on Earthworks in Europe will be held in Madrid on 19th and 20th of April 2018. It is the fourth on a series of conferences (Paris 2005, London 2009, Berlin 2012) devoted to the discussion on the progress and development of design, construction and maintenance of earthworks all over Europe.

Seminar themes considered are:

- European standards
- Sustainability and optimal use of local materials
- Quality control
- Soil treatment and improvement
- Geotechnical risk on earthworks. Climatic hazards and adaptation to climate change
- Relevant and special projects

Seminar will be held in English and Spanish
(Simultaneous translation available)

If you are interested and intend to attend, please send an e-mail
(just for organizative purpose) before 31 December 2017 to the
following e-mail address:
congresos@atc-piarc.com

VENUE AND DATES

The Seminar will be held at:

Centro de Estudios y Técnicas Aplicadas (CETA), CEDEX
Alfonso XII, 3
28014, Madrid

Dates: **19th and 20th of April 2018.**

FREE COMMUNICATIONS

Deadline for submission of Free Communications: 26th February 2018, sent by e-mail to: info@atc-piarc.com, including the following information

- Title and abstract of the communication
- Author's name
- Company or organization
- Address, e-mail and telephone

The received Communications will be reviewed by the Technical Committee. The Technical Committee shall decide on their acceptance and notified its decision to the authors before 12th March 2018, including the necessary instructions for submitting works.

All sessions will include the following speeches: magisterial lesson and a selection of free communications
