

CALL FOR ABSTRACTS

15th International Symposium on Concrete Roads

3–6 November 2026 | Málaga, Spain

We are pleased to announce that the **15th International Symposium on Concrete Roads** will take place from **3 to 6 November 2026** in the city of **Málaga, Spain**, under the motto ***“Building the Future on Resilient Concrete Pavements”***.

Organised by **OFICEMEN**, **IECA**, **AFCA**, and **EUPAVE**, and supported by **PIARC**, **ISCP**, the Spanish National Ports and the Spanish Association of Concrete Pavements, this edition will have a special focus on:

- **Industrial and logistic areas.**
- **Ports.**
- **Airport infrastructure.**

SUBMIT YOUR ABSTRACT

We invite you to submit an abstract of approximately **300 words**, in **English**, addressing one or more of the Symposium's key themes:

Roads – Urban applications – Industrial & logistic pavements – Ports – Airports – Safety Barriers.

The deadline for abstract submission is 1 November 2025

*Authors of accepted abstracts will be invited to submit a full paper by **6 April 2026**. Papers may be submitted as a **short paper** (minimum 3 pages) or a **full paper** (up to 8–10 pages)*

SUBMIT YOUR ABSTRACT HERE
